

Berkshire Woodturners Association

Information and application to join.

The club was formed more than ten years ago and meets on the 3rd Wednesday of each month, at 7.00pm. at St Mary's Hall, Winnersh. We employ a wide variety of national demonstrators and hold occasional 'hands-on' clinics. At each meeting there is a graded club competition, a raffle and refreshments. There is an annual membership fee of £15.00 and an attendance fee of £3.00, reduced to £2.00 when the demonstrators are less well known. Other activities include subsidised visits to national shows and hands-on seminars with professional tutors. For further information contact Allan Gill on 0118 9781172
